

Corrigendum

Corrigendum to: Sarcopenia in Hemiplegia

Maria C. Papadatou^{1,2}

¹National Center of Rehabilitation, Athens, Greece; ²National Kapodistrian University of Athens, Laboratory Research of Musculoskeletal Disorders, Greece

The author regrets the originally published manuscript Sarcopenia in Hemiplegia, JFSF Vol 5, No 2, June 2020, p.38-41, contained an error in the “Therapeutic approach and management” section. Specifically, instead of selective androgen receptor modulators (SARMs), mistakenly it is written selective estrogen receptor modulators (SERMs).

The online version of the original article can be found at <http://www.jfsf.eu>
